**Richard Millentree, DeAnna Millentree**

**Couples** Mariana Cook, 2000-08-01 From the author of *Fathers and Daughters* and *Mothers and Sons* comes this moving tribute to love. In *Couples*, photographer Mariana Cook presents a stunning collection of black and white images and intimate texts from 60 different couples young, old, rich, poor, gay, straight, famous, unknown offering us a rare glimpse into the diverse meanings of that unique bond. These partners speak in their own words, and yet it is in the glance of the eye, the subtle gesture that the unspoken emotions are expressed in these deceptively simple and honest portraits. In both text and image, *Couples* is a powerful and moving celebration of not only love, but life, and all of the beauty and magic that is shared by the union of two people.

*The Heart of Remarriage* Gary Smalley, Greg Smalley, Dan Cretsinger, Marci Cretsinger, 2010-06-23 Too often, couples enter remarriage unaware of potential problems and unprepared for the challenges stepfamily life will bring. *The Heart of Remarriage* takes a unique approach to success in remarriage by going straight to the heart, helping couples heal from the inside out rather than offering surface suggestions that may change circumstances but not the lives of couples and their families. Drs. Gary and Greg Smalley partner with remarried couple Dan and Marci Cretsinger to offer this marriage-changing idea: No matter what circumstances or challenges a remarried couple and their stepfamily face, the solution starts in their hearts. Remarried couples will learn how to examine their own hearts and heal them from the hurts of the past, so that they can be filled with God's love and let that love overflow to their family members. *The Heart of Remarriage* teaches readers how to create emotional security for every family member and offers practical ideas for connecting at the heart level with their spouse, children, and stepchildren. Couples will be encouraged to keep their hearts open and challenged to leave a family legacy of love.

Getting the Love You Want Harville Hendrix, 2001 I know of no better guide for couples who genuinely desire a maturing relationship. M. Scott Peck, author of *The Road Less Traveled* A remarkable book the most incisive and persuasive I have ever read on the knotty problems of marriage relationships. Ann Roberts, former president, Rockefeller Family Fund

**Speaking with the Heart** Dr. Heather Browne, PsyD, LMFT, 2024-01-23 Are you frustrated with having the same argument week after week? Do you act more like roommates than a couple who's in love? Are you stuck not knowing what to do to change your connection, communication, and intimacy with your partner? We all want to have deeply connected

relationships, but oftentimes, we become stuck in the same arguments and dynamics which keep us from experiencing the joy we wish to feel in our intimate relationships. Speaking with the Heart explains how communication is a love letter. The best conversations start with connection and compassion before any word is uttered. What is needed? What will help? Learning the powerful approaches outlined in the book can transform relationships. The key to effective communication for couples, at all stages, is tied to one core area that we were never taught: how to connect. It's in understanding the power of making a simple shift from needing to be heard to wanting to connect with your partner—with every conversation—that could redefine how we approach communication in all of our relationships.

*The Wholehearted Marriage* Greg Smalley, Shawn Stoeber, 2009-06-02 The Wholehearted Marriage offers practical tools for helping couples keep a passionate connection with one another and understand the role their hearts play in their lives. Drs. Smalley and Stoeber maintain that circumstances, such as busy lifestyles, differences between spouses, personal baggage, the loss of a loved one, childhood trauma, etc., trigger reactions that condition us to close up our hearts for protection, blocking the flow of love. A disengaged, protected heart makes it impossible to experience an intimate, connected marriage. As a result, couples drift apart, trying to find some version of contentment, or they give up altogether and look for love somewhere else. Through their experiences in marriage counseling, Drs. Smalley and Stoeber discovered that the commonly heard phrase I don't love him/her anymore is merely a camouflaged misunderstanding about what true love is and God's design for it. They affirm that love is more than just a feeling, and that to have true, lasting intimacy, couples need to learn to love wholeheartedly.

**The Language of Love and Respect** Dr. Emerson Eggerichs, 2009-10-11 Why does communication between couples remain the number one marriage issue? Because most spouses don't know that they speak two different languages.
